# DRIVER: Change Password

The image illustrates the process of changing a password for a driver, shown in three sequential steps:

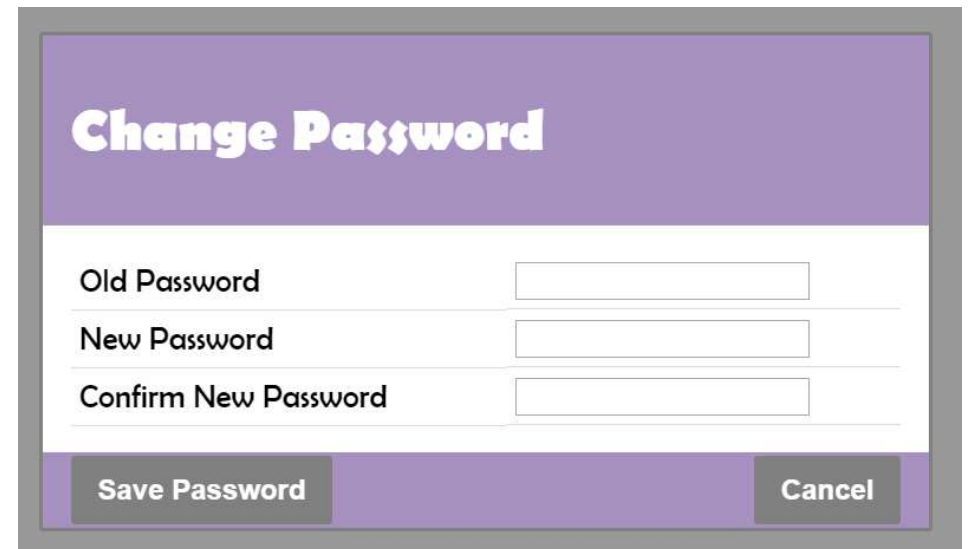

- Step 1: User Menu**  
A sidebar menu is displayed with the following options: My Tours, My Profile, **Change Password** (highlighted with a red box), and Sign Out.
- Step 2: Change Password Form**  
A modal form titled "Change Password" is shown. It contains the following fields and buttons:
  - Old Password:
  - New Password:
  - Confirm new Password:
  - Buttons: **Save** (highlighted with a red box) and Cancel
- Step 3: Confirmation**  
The form is closed, and a confirmation message is displayed: "Change password successfull!". An "Edit" button is visible below the message.

# CONCLUSION

- More Preparation for design structure with CSS
- Weekly meeting
- GitHub issue tracker
- Post-its

A UI element consisting of a dropdown menu and a button. The dropdown menu is labeled "No Filter" and has a downward-pointing triangle icon. To its right is a button labeled "Filter".

A "Change Password" form with a purple header. The form contains three input fields: "Old Password", "New Password", and "Confirm New Password". At the bottom, there are two buttons: "Save Password" and "Cancel".
